## ON ALASKA CRUISES

### BOOK BY JULY 31

### Cruise West knows Alaska best.

Why go to Alaska for a big ship's casino or buffet line? Why cruise far from shore and away from the glaciers that are synonymous with Alaska? Cruise on our small ships to see the Alaska you've always imagined. Our guests come to Alaska to experience the WILDERNESS and the WILDLIFE! Our Captain & Exploration Leaders will show you Alaska like no other cruise line can. With enriching onboard programs and an included excursion in every port. All in the company of fewer than 138 like-minded travelers!

No one gives you more Alaska cruise choices than Cruise West. From routes along the Inside Passage to destinations on the Bering Sea, our beautiful small ships explore Alaska the Cruise West way — up-close, casual and personal.

**And now you can save 25% on select cruise-tour if you book by March 31, 2009.**
